Dear Patricia,

Each year, the New England Association of Collegiate Registrars and Admissions Officers awards \$2,000 scholarships to three high school graduates who will be enrolling in a NEACRAO [member institution](#) for the fall semester of that year. Each recipient of the scholarship is selected from candidates who are recommended by New England secondary school guidance professionals.

We hope you will work with your students to take advantage of this opportunity! For complete scholarship information, [visit our website](#).

Students will identify their guidance professionals for recommendations and we will reach out to them for the scholarship based on the following criteria:

- Strong academic performance
- Record of perseverance
- Compelling personal story or unique achievement

The scholarship committee will seek to balance demographic and geographic consideration, select from a variety of institution types and review applications received by **11:59 p.m. on March 1, 2020**. Finalists will be notified by the end of May.

If you have questions regarding any part of this application, how to complete it, or the requirements for its submission, please contact scholarship@neacrao.org, subject: Scholarship Application Help
