

Construction Inspector I Position

AI Engineers' Rhode Island office is looking for entry-level construction inspectors to support many ongoing projects.

Minimum Requirements:

- Must be 18 years of age
- Knowledge of basic engineering principles and drive and willingness to learn
- Field inspection experience involving construction operations and/or inspection is a plus
- NETTCP HMA Paving, ACI certification, and/or EIT are a plus

Responsibilities:

- Considerable knowledge of construction materials, methods and procedures;
- Ability to maintain field and office records;
- Ability to perform complex quantity and engineering computations;
- Ability to read and interpret plans and specifications;
- Ability to deal effectively with people;
- Surveying and Drafting knowledge.

AI Engineers is a 200+ person consulting firm with 28 years in the business providing multi-disciplinary design, construction, and bridge inspection services in the Northeast Mid-Atlantic region. Headquartered in Middletown, CT, AI has offices located in Boston, MA, NYC, Elmsford, NY, Exton, PA, Richmond VA, and Cranston, RI. The company is listed in the ENR and is projected to double its size in the next five years.

AI offers excellent compensation/benefits and a flexible work environment.
