CVS HEALTH is currently accepting applications for Customer Relation Reps in Cumberland, RI.

- This is a full-time position, within a call center environment.
- Temporary WFH, due to COVID. You must live within a reasonable commuting distance from this location as the position will only be temporarily remote, “work from home”. It will be remote to start, but you must be willing to eventually commute daily to our call center located in Cumberland, RI.
- You must be available to work an 8-hour shift between the hours of 10am and 10pm. Your shift will include one weekend day, with split days off. For example, you may have WE/SU off, or TU/SA off. It would be a set shift that would not change or rotate each week.
- CVS offers a competitive starting pay (\$16 hr), excellent benefits and advancement potential.
- Interviews are being scheduled weekly – monthly training classes
