FM: Mom that attended MegaSkills stated that it was the first time they had entered Davies and her daughter is an 11th grader. It was welcoming to her to know there was something offered in Spanish.

Jax asked Felicia to informally ask the Spanish Session more questions about communications and offerings in Spanish. Feedback will help us improve.

## Talent Show - May 3, 2024

**Any committee members who have sent out donation letters should submit the company names to [Jax](#).** Please avoid businesses who would potentially donate to the food pantry. Example: Grocery stores.

[Current list of companies reached out to for a donation.](#)(Updated 3/13/24) Deadline for items is April 10th.

# Talent Show Pricing

Collectively, everyone decided to change the entry price from \$5 to \$7. A 4 pack of tickets, for a family, would be \$25 instead of \$28.

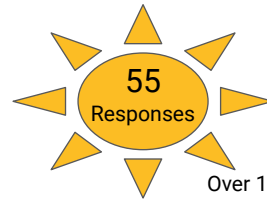

With a capacity of 312, we typically sell out before the show day.

Raffle tickets and Food price items will remain the same. Chips have been removed to drive more business to popcorn.

Awaiting response from A&J Bakery regarding the allergy friendly snack.

Committee members will keep their eyes peeled for after holiday candy deals. We are specifically looking for candy that doesn't necessarily look overtly holiday themed. (Sometimes only the outer packaging has holiday themed markings.)

# SurveyWorks (Parent Link Only)
